What if it rains?

All* castles & combos come with tailor made rain covers, which will keep them at least 80% dry. A few extra steps will also help, such as having the castle installed against a garage, pergola or under the eaves of your house, or butting it to a clothesline over which a tarp can be thrown. Always place a towel behind the bumper.
(*No covers on the 10m Obstacle Course)

Rules of Operation & Supervision

At your request, Jumping J-Jays ("the owner") is not responsible for the supervision for this booking. However we can provide you with an operator to utilise. The owner will erect and secure this castle in accordance with government regulations and Showman regulations, but will not accept responsibility even after an authorised adult (that you specify) has been trained in the correct procedures for the safe operation of the castle.

The castle must be operated in a safe and responsible manner, including (but not limited to) the following rules, in order to satisfy insurance and government requirements:

- ◆ The castle must be supervised at all times by a responsible adult over the age of 18 years standing in front of the inflatable at all times.
- ◆ Arrange alternate jumping sessions for same age groups.
- Minis - 12' x 12' (4m x 4m) - Up to 8 years old, max 8 kids.
- Medium - 15' x 16' (5m x 5.5m) - Up to 12 years, max 12 kids
- ◆ No adults whatsoever on the castle.
- ◆ Castles will split or tear with excess weight.
- ◆ No rough play or somersaults.
- ◆ No shoes, food, drink, spectacles or pets.
- ◆ No climbing on top of the walls. No riding on any front bumper!
- ◆ No face paint, sand, glitter or crazy string on the castle.
- ◆ Do not turn power off.
- ◆ Children must be fully clothed to stop friction burns.
- ◆ Children should climb up the rope ladder giving clearance to other users, and must slide down feet first 1 to 2 at a time.
- ◆ Arrange similar age groups to jump at the same time.
- ◆ Make sure that ropes are secure at all times.
- ◆ Castles are designed to withstand winds not exceeding 40kph/25mph (large tree branches swaying), but your judgment should be used at all times.
- No more than 5 users on top of any 5m (15') tall slides.
- There are real risks with water pools, supervise your kids
- Water slides must have no more than 4 inches of water in the pool & the hose must not run continually. If there is more water in it on return a \$75 charge will be made to your CREDIT CARD or payable in CASH.
